CAUTION

The federal adjusted gross income that you use on your Arizona return may not be the same as the federal adjusted gross income from your federal tax return. Also, the federal Schedule A deductions used on the Arizona return may be different from the federal Schedule A deductions taken on your federal return.

Each year the Arizona State Legislature considers if they will adopt changes made

to the federal tax law during the prior year. These forms assume the Legislature will adopt all federal law changes made after January 1, 2017. If you use the amounts from your 2017 federal tax return to complete your Arizona return and the Legislature does not adopt the 2017 federal changes, you may have to amend your return at a later date for any difference between Arizona and federal law. For more details, visit www.azdor.gov and click on the link for 2017 conformity.

Notice

As a rule, the starting point for your Arizona Individual income tax return is your federal adjusted gross income. To take itemized deductions, you must start with the amount shown on the federal Schedule A. This is the case for 2017, except for changes Congress made to the federal tax code during 2017 and the following apply.

1. The changes affect how you figure your federal adjusted gross income.

AND/OR

2. The changes affect how you figure your itemized deductions.

When federal changes are made, Arizona legislature must adopt those changes if the Arizona starting points are to be kept the same. The legislature will address this issue when it is in session during 2018. We must publish these forms before this issue will be addressed by the legislature. When we went to print, Arizona had not yet adopted any federal tax law changes made after January 1, 2017.

What does this mean to you? It means that if any of the federal law changes made in 2017 apply to your 2017 return, you can opt to file your 2017 return using one of the following methods.

1. You can wait and file your 2017 return after this issue has been addressed.
 - To do this, you may need to ask for a filing extension. You must pay 90% of the tax due by the due date of the return before any extension.
2. You can file your 2017 return assuming that the federal law changes will be adopted. The 2017 tax forms make this assumption.

If you opt for method 2, one of the following will apply.

- If Arizona adopts those changes, you do not have to do anything more.
 - If Arizona does not adopt all those changes, you may need to amend your 2017 Arizona return. Your amended return will have to show the difference between the Arizona law and the federal law. If this happens, we will post more details on our Conformity to IRC webpage. To view this page go to <http://www.azdor.gov> and click on Legal Research on the left side, then click on Conformity to IRC. Generally, no penalties or interest will be assessed on these amended returns, if you follow the Department's instructions and pay any tax due when you file your original 2016 return and you file and pay the required amended return by the extended due date of your 2018 return.
3. You can file your 2017 return assuming that we will not adopt the federal law changes. If you opt for this method, you will have to do the following.
 - You will have to research all of the federal changes made after January 1, 2017.
 - You will have to figure out if any of those changes apply to you.
 - You will have figure out how to make adjustments for those changes on your return.

If you opt for method 3, one of the following will apply.

- If Arizona does not adopt those changes, you do not have to do anything more.
- If Arizona adopts those changes, you may need to amend your 2017 Arizona return. Your amended return will have to show the difference between what you reported and what you should have reported. If this happens, we will post more details on our Conformity to IRC webpage. To view this page go to <http://www.azdor.gov> and click on Legal Research on the left side, then click on Conformity to IRC.

Who Can Use Form 140A?

You can use Form 140A to file for 2017 if **all** of the following apply to you:

- You (and your spouse if married filing a joint return) are both full year residents of Arizona.
- Your Arizona **taxable income** is less than \$50,000, regardless of your filing status.
- You are a calendar year filer.
- You are not making any adjustments to income.
- You do not itemize deductions.
- The **only** tax credits you will claim are:
 - the Family Income Tax credit
 - the Property Tax credit
 - the credit for Increased Excise Taxes
- You are **not** claiming estimated tax payments.

NOTE: *Do not use Form 140A if you are an active duty military member. You may subtract all of your active duty military pay included in your federal adjusted gross income, but you cannot do this on Form 140A. To take this subtraction, you must file your 2017 return using Arizona Form 140. For more information, see Form 140 instructions.*

Do You Have to File?

Arizona Filing Requirements These rules apply to all Arizona taxpayers.		
You must file if you are:	and your Arizona adjusted gross income is at least:	or your gross income is at least:
● Single	\$ 5,500	\$15,000
● Married filing joint	\$11,000	\$15,000
● Married filing separate	\$ 5,500	\$15,000
● Head of household	\$ 5,500	\$15,000

If you are an Arizona resident, you must report income from **all** sources including **out-of-state** income.

To see if you have to file, figure your gross income the same as you would figure your gross income for federal income tax purposes. Then, you should exclude income Arizona law does not tax.

Income Arizona law does not tax includes:

- interest from U.S. Government obligations,
- social security retirement benefits received under Title II of the Social Security Act,
- benefits received under the Railroad Retirement Act, tier 1 or tier 2 railroad retirement benefits, railroad disability benefits reported on federal forms RRB-1099 and RRB-1099-R, railroad unemployment benefits and railroad sickness payments paid by the Railroad Retirement Board, or
- pay received for active service as a member of the Reserves, National Guard or the U.S. Armed Forces.

You can find your Arizona adjusted gross income on line 17 of Arizona Form 140A.

NOTE: *Even if you do not have to file, you must still file a return to get a refund of any Arizona income tax withheld.*

Do You Have to File if You Are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** of the following apply to you:

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned **all** of your income on that reservation.

Enrolled members of American Indian tribes that must file a return may subtract wages earned while living and working on their tribe's reservation. **If you are eligible to subtract these wages, you must file Arizona Form 140.** In this case, do not file Form 140A. For more information, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Do You Have to File if You Are the Spouse of an American Indian and You Are Not an Enrolled Indian?

You must file if you meet the Arizona filing requirements. For more information on the tax treatment of spouses of American Indians, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Do You Have to File if You Are in the Military?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you:

- You are an active duty member of the United States armed forces.
- Your only income for the taxable year is pay received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides pay received for active duty military service.

If you are an Arizona resident and you have to file an Arizona return, you should file using Form 140. If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where stationed, until you establish a new domicile.

As an Arizona resident, you must report all of your income, no matter where stationed. You must include your military pay, but using Form 140, you may subtract all pay received for active duty military service; to the extent it is included in your federal adjusted gross income.

If you are not an Arizona resident, but stationed in Arizona, the following applies to you:

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona. Use Arizona Form 140NR, *Nonresident Personal Income Tax Return*, to report this income.

For more information, see the department's publication, Pub 704, *Taxpayers in the Military*.

Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, we may be able to help. See the department's procedure, ITP 92-1, *Procedure for Determining Residency*.

Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone. A resident is subject to tax on all income no matter where the income is earned.

Part-Year Residents

If you are a part-year resident, you must file Arizona Form 140PY, *Part-Year Resident Personal Income Tax Return*.

You are a part-year resident if you did either of the following during 2017:

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

Nonresidents

If you are a nonresident, you must file Arizona Form 140NR, *Nonresident Personal Income Tax Return*.

What if a Taxpayer Died?

If a taxpayer died before filing a return for 2017, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. The person who files the return should print the word "deceased" after the decedent's name. Also, enter the date of death after the decedent's name.

If your spouse died in 2017, and you did not remarry in 2017 or if your spouse died in 2018 before filing a return for 2017, you may file a joint return. If your spouse died in 2017, the joint return should show your spouse's 2017 income before death and your income for all of 2017. If your spouse died in 2018, before filing the 2017 return, the joint return should show all of your income and all of your spouse's income for 2017. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

Are Any Other Returns Required?

You may also have to file a fiduciary income tax return (Form 141AZ). For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

Claiming a Refund for a Deceased Taxpayer

If you are claiming a refund for a deceased taxpayer, you **must** complete Arizona Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Place the completed Form 131 on top of the front of the return.

What Are the Filing Dates and Penalties?

When Should You File?

Your 2017 calendar year tax return is due no later than midnight, April 17, 2018. File your return as soon as you can after January 1, 2018, but no later than April 17, 2018.

NOTE: *Because April 15, 2018, falls on a Sunday, and District of Columbia Emancipation Day will be observed on Monday, April 16, 2018, you have until Tuesday, April 17, 2018, to file your return.*

What if You Cannot File on Time?

You may request an extension if you know you will not be able to file on time.

NOTE: *An extension does not extend the time to pay your income tax. See the instructions for Arizona Form 204.*

To get a filing extension, you can either

- Apply for a state extension. To apply for a state extension, file Arizona Form 204 by April 17, 2018. See Form 204 for details. You do not have to include a copy of the extension with your return when you file, but make sure that you check box **82F** on page 1 of the return. If you must make a payment, use Arizona Form 204, or visit www.AZTaxes.gov to make an electronic payment.
- Use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do not have to include a copy of your federal extension with your return, but make sure that you check box **82F** on page 1 of the return.

When Should You File if You Are a Nonresident Alien?

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 17, 2018, even though your federal return is due on June 15, 2018. If you want to file your Arizona return after April 17, 2018, you must ask for a filing extension. You must file this request by April 17, 2018. Arizona will allow up to a 6-month extension. This will allow you to file your return by October 15, 2018. See Arizona Form 204 for extension filing details.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months.

Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 15, 2018, even though your federal return will not be due until December 15, 2018.

If you file your 2017 Arizona calendar year return after October 15, 2018, your return will be late.

What if You File or Pay Late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2017 calendar year return by April 17, 2018, your return will not be late. You may also use certain private delivery services designated by the Internal Revenue Service (IRS) to meet the “timely mailing as timely filed” rule. For more information, see “Mailing Your Return” at the end of these instructions.

Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is 4½% (.045) of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% (.25) of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, we will charge you a late payment penalty. This penalty is ½ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10% (.10) of the unpaid tax.

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90% (.90) of the tax shown on your return by the return's original due date. If you do not pay this amount, we may charge you a penalty. This penalty is ½ of 1% (.005) of the tax not paid for each 30-day period or fraction of a 30-day period. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25% (.25) of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

NOTE: *If you are subject to two or more of the above penalties, the total cannot exceed 25%.*

Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

When Should You Amend a Return?

If you need to make changes to your return after you have filed, **do not** file a new return using Form 140A. You **must** file Arizona Form 140X, *Individual Amended Income Tax Return*. File your amended return after your original return has processed. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file a Form 140X for that year.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You must file Form 140X within 90 days of the final determination of the IRS. You may use one of the following two options to report this change.

Option 1

You may file a Form 140X for that year. If you choose this option, you must amend your Arizona return within 90 days of the final determination of the IRS. Include a complete copy of the federal notice with your Form 140X.

Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS. If you choose this option, you must include a statement in which you must:

1. Request that the department recompute your tax.
2. Indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree.

If you choose option 2, mail the federal notice and any other documents to:

Line-by-Line Instructions

Tips for Preparing Your Return

- Make sure that you write your Social Security Number (SSN) on your return.
- Complete your return using black ink.
- You **must** round dollar amounts to the nearest whole dollar. If 50 cents or more, round up to the next dollar; if less than 50 cents, round down. Do not enter cents.
- You must complete your federal return before you can start your Arizona return.
- Make sure you include your daytime telephone number.

Entering Your Name, Address, and SSN

Lines 1, 2, and 3 -

Enter your name, address, and SSN in the space provided. If you are filing a joint return, enter your SSNs in the same order as your names. *If your name appears first on the return, make sure your SSN is the first number listed.*

If you are married filing separately, enter your name and SSN on the first line 1. Enter your spouse's name and SSN on the second line 1. If you are a nonresident of the United States or a resident alien who does not have an SSN, use the individual taxpayer identification number (ITIN) the IRS issued to you.

NOTE: *Make sure your SSN is correct. If you are filing a joint return, also make sure you list your SSNs in the same order every year.*

Make sure that you enter your SSN on your return. Make sure that all SSNs are clear and correct. You may be subject to a

penalty if you fail to include your SSN. It will take longer to process your return if SSNs are missing, incorrect, or unclear.

Use your current home address. The department will mail your refund or correspond with you at that address. For a deceased taxpayer, see page 2 of these instructions.

Foreign Addresses

If you have a foreign address, enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

Last Name(s) Used in Last 4 Prior Years

If the last name that you or your spouse are using on this return is not the same as the last name you or your spouse used on returns filed for the last 4 years, enter any other last name(s) that you or your spouse used when filing your return during the last 4 years.

Identification Numbers for Paid Preparers

If you pay someone else to prepare your return, that person must also include an identification number where requested.

A paid preparer may use any of the following:

- his or her PTIN,
- his or her SSN, or
- the EIN for the business.

A paid preparer who fails to include the proper identification number may also be subject to a penalty.

Determining Your Filing Status

The filing status that you use on your Arizona return may be different from that used on your federal return.

Use this section to determine your filing status. Check the correct box (4 through 7) on the front of Form 140A.

If you qualify as married for federal purposes, you qualify as married for Arizona purposes and must file using the status of either married filing joint or married filing separate.

If you are single you must file as single or if qualified you may file as head of household (see the instructions for box 5).

Box 4 - Married Filing Joint Return

If you are married and filing a joint return, check box 4.

You may file a joint return if you were married as of December 31, 2017. It does not matter whether or not you were living with your spouse. You may file a joint return, even if you and your spouse filed separate federal returns.

You may file a joint return if your spouse died during 2017 and you did not remarry in 2017. See page 2 of these instructions for details.

Form 140A is for full year residents only. You may not file a joint Arizona income tax return on Form 140A if any of the following apply:

- Your spouse is a nonresident alien (citizen of and living in another country).
- Your spouse is a resident of another state.
- Your spouse is a part-year Arizona resident.

If filing a joint return with your nonresident spouse, you must file a joint return using Arizona Form 140NR. See Form 140NR instructions.

If filing a joint return with your part-year resident spouse, you must file a joint return using Arizona Form 140PY. See Form 140PY instructions.

NOTE: For more information, see the department's ruling, ITR 14-1, Filing a Joint Tax Return When a Resident Spouse is Married to a Part-Year Resident or Nonresident.

Box 4a - Injured Spouse Protection of Joint Overpayment

Beginning 2017, check box 4a **only** if you and your spouse are filing a joint return and you or your spouse qualify as an injured spouse and are requesting protection from application of any joint overpayment against the other spouse's delinquencies or debts.

NOTE: You cannot use Form 203 to request protection from offset for past-due federal taxes. You must contact the IRS.

You **must** complete Arizona Form 203, *Request for Injured Spouse Protection from Application of Joint Overpayment Against Spouse's Delinquencies and Debts*, and include that form with your tax return, when filed. Place the completed form on top of your income tax return. For more information, see the instructions for Form 203.

Box 5 - Head of Household

If you are filing as a head of household, check box 5.

You may file as head of household on your Arizona return, only if one of the following applies:

- You qualify to file as head of household on your federal return.
- You qualify to file as a qualifying widow or widower on your federal return.

Box 6 - Married Filing Separate Return

If you are filing a separate return, check box 6 and enter your spouse's name and SSN on the second line 1.

If you were married as of December 31, 2017, you may choose to file a separate return. You may file a separate return, even if you and your spouse filed a joint federal return.

Arizona is a community property state. If you file a separate return, you must figure how much income to report using community property laws. Under these laws, a separate return must reflect one-half of the community income from all sources plus any separate income.

When you file separate returns, you must account for community deductions and credits on the same basis as community income. Both you and your spouse must either itemize or not itemize. If one of you itemizes, you both must itemize. If one of you takes a standard deduction, you both must take a standard deduction. One of you may not claim a standard deduction while the other itemizes.

If you and your spouse support a dependent child from community income, either you or your spouse may claim the

dependent. Both of you cannot claim the same dependent on both returns.

For more information, see the department's ruling, ITR 93-18, *Income Reporting Requirements for Married Arizona Residents Who File Separate Arizona Individual Income Tax Returns*, and ITR 93-19, *Deductions, Exemptions, and Credits for Married Taxpayers Who File Separate Arizona Individual Income Tax Returns*.

NOTE: In some cases, you may treat community income as separate income. For more information, see the department's ruling, ITR 93-22, *When Community Income May Be Treated as Separate Income*.

- You have never been married.
- You are legally separated under a decree of divorce or of separate maintenance.
- You were widowed before January 1, 2017, and you did not remarry in 2017, and you do not qualify to file as a qualifying widow or widower with dependent children on your federal return.

NOTE: If you got divorced during the year, see the department's *Individual Income Tax Ruling, ITR 14-2, Reporting Income, Deductions, Exemptions, and Withholding for Divorced Individuals for the Year of Divorce; and publication, Pub. 200, Income Tax Issues Affecting Married and Divorced Taxpayers, for help completing your return.*

Exemptions

Enter the **number** of exemptions you are claiming in boxes 8, 9, 10, and 11. **Do not put a check mark.** You may lose the exemption if you put a checkmark in these boxes. You may lose the dependent exemption if you do not complete the Dependent Section, on page 1. You may lose the exemption for qualifying parents or grandparents if you do not complete the Qualifying parent or grandparents Section, on page 1.

Box 8 - Age 65 or Over

NOTE: If a taxpayer's 65th birthday was January 1, 2018 (born 1/1/53), that person would be considered to be age 65 at the end of 2017 for federal income tax purposes and likewise for Arizona income tax purposes.

- If you are single or filing as head of household, enter "1" in box 8 if you were 65 or older in 2017 and not claimed as a dependent by another taxpayer.
- If you are married filing a joint return, enter "1" in box 8 if you were 65 or older and not claimed as a dependent by another taxpayer or your spouse was 65 or older in 2017 and not claimed as a dependent by another taxpayer. Enter "2" in box 8 if both you and your spouse were 65 or older in 2017 and neither of you are claimed as a dependent by another taxpayer.
- If you are married and filing a separate return, enter "1" in box 8 if you were 65 or older and not claimed by another taxpayer. You cannot take an exemption for your spouse. Your spouse, if 65 or older and not claimed by another taxpayer, may take this exemption on his/her own separate return.

Box 9 - Blind

If you or your spouse were partially blind as of December 31, 2017, you must get a statement certified by your eye doctor or registered optometrist that:

- You cannot see better than 20/200 in your better eye with glasses or contact lenses.
- Your field of vision is 20 degrees or less.

If your eye condition is not likely to improve beyond the conditions listed above, you can get a statement certified by your eye doctor or registered optometrist to that effect instead. You must keep the statement for your records.

- If you are single or filing as head of household, enter "1" in box 9 if you are totally or partially blind.
- If you are married filing a joint return, enter "1" in box 9 if you or your spouse is totally or partially blind. Enter "2" in box 9 if both you and your spouse are totally or partially blind.
- If you are married and filing a separate return, you may take an exemption for yourself if you are totally or partially blind. You may only claim an exemption for your spouse if (1) your spouse is totally or partially blind, (2) has no Arizona adjusted gross income for the calendar year, and (3) is not the dependent of another taxpayer. Enter "1" in box 9 if you are totally or partially blind or your spouse is totally or partially blind and your spouse meets the above criteria. Enter "2" in box 9 if you are totally or partially blind and your spouse is totally or partially blind and your spouse meets the above criteria.

Box 10 - Dependents

NOTE: *If a person who qualifies as your dependent is also a qualifying parent or grandparent, you may claim that person as a dependent in Box 10, or you may claim that person as a qualifying parent or grandparent in Box 11. You may **not** claim that same person in both Box 10 and Box 11.*

You must complete the Dependent Section on page 1 (and page 3, if more space is needed) of your return before you can total your dependent exemptions. You may claim only the following as a dependent:

- A person that qualifies as your dependent on your federal return.
If you do not claim a dependent exemption for a student on your federal return in order to allow the student to claim a federal education credit on the student's federal return, you may still claim the exemption on your Arizona return. For more information, see the department's ruling, ITR 05-02, *Will Arizona Allow a Dependent Exemption When a Taxpayer Does Not Claim Federal Exemption in Order to Claim the Education Credit?*
- A person who is age 65 or over (related to you or not) that does not qualify as your dependent on your federal return, but one of the following applies:
 1. In 2017, you paid more than one-fourth of the cost of keeping this person in an Arizona nursing care institution, an Arizona residential care institution, or an Arizona assisted living facility. Your cost must be more than \$800.
 2. In 2017, you paid more than \$800 for either Arizona home health care or other medical costs for the person.

NOTE: *If a taxpayer's 65th birthday was January 1, 2018 (born 1/1/53), that person would be considered to be age 65 at the end of 2017 for federal income tax purposes and likewise for Arizona income tax purposes.*

- A stillborn child if the following applies:
 1. The stillbirth occurred during 2017.
 2. You received a certificate of birth resulting in stillbirth from the Arizona Department of Health Services.
 3. The child would have otherwise been a member of your household.

Box 11 - Qualifying Parents and Grandparents

NOTE: *If a person who is a qualifying parent or grandparent also qualifies as your dependent, you may claim that person as a dependent in Box 10, or you may claim that person as a qualifying parent or grandparent in Box 11. You may **not** claim that same person in both Box 10 and Box 11.*

You must complete the Dependent Section on page 1 (and page 3, if more space is needed), before you can total your exemptions for qualifying parents and grandparents. A qualifying parent or grandparent may be any one of the following.

- Your parent, grandparent, or great-grandparent, etc.
- If married filing a joint return, your spouse's parent, grandparent, or great-grandparent, etc.

You may claim this exemption if **all** of the following apply.

1. The parent, grandparent or great-grandparent was 65 years old or older during 2017.
2. The parent, grandparent or great-grandparent lived in your principal residence for the entire taxable year.
If your parent or grandparent died during the taxable year, this requirement will still be met if he or she lived with

you for the entire part of the year in which he or she was alive. Temporary absences by the parent or grandparent for special circumstances, such as a hospital stay or care in a hospice facility, count as time lived in the taxpayer's principle residence.

- 3. You paid more than one-half of the support and maintenance costs of the parent or grandparent during the taxable year.

To help you determine if you paid more than one-half of your parent or grandparent's support during the taxable year, it is recommended that you review the department's procedure, ITP 14-1, *Procedure for Determining Support for Purposes of the Parents and Grandparents Exemption Allowed under A.R.S. § 43-1023(C)*, and complete the worksheet. Keep the worksheet for your records.

- 4. The parent or grandparent required assistance with activities of daily living.

The term "activities of daily living" means two or more of the listed categories. Activities of daily living include both basic activities of daily living and instrumental activities of daily living. The categories of activities of daily living are dressing, eating, ambulating, toileting, medicating and hygiene, shopping, housekeeping, managing personal finances, basic communication, food-preparation and transportation.

For more information regarding what the term "activities of daily living" means when determining an Arizona resident taxpayer's eligibility for this exemption, see the department's ruling, ITR 14-3, *"Activities of Daily Living" for the Purpose of the Exemption Allowed Under A.R.S. § 43-1023(C)*.

To help you determine if your parent or grandparent required assistance with activities of daily living to meet this requirement, it is recommended that you review the department's procedure, ITP 14-2, *Procedure for Determining Whether a Parent or Grandparent Requires Assistance with Activities of Daily Living for Purposes of the Exemption Allowed under A.R.S. § 43-1023(C)*, and complete the checklist. Keep the checklist for your records.

Totaling Your Income

Line 12 - Federal Adjusted Gross Income

You must complete your federal return before you enter an amount on line 12. You must complete a 2017 federal return to figure your federal adjusted gross income. You must complete a federal return even if you do not have to file a federal return.

Arizona uses federal adjusted gross income as a starting point to determine Arizona taxable income. Your federal adjusted gross income is your Arizona gross income.

NOTE: *Be sure to use your federal adjusted gross income and not your federal taxable income.*

Exemptions – Lines 13 through 16

Line 13 - Age 65 or Over

Multiply the number you entered in box 8 by \$2,100.

Line 14 - Blind

Multiply the number you entered in box 9 by \$1,500.

Line 15 - Dependents

Multiply the number you entered in box 10 by \$2,300.

Line 16 - Qualifying Parents and Grandparents

Multiply the number you entered in box 11 by \$10,000.

Line 17 - Arizona Adjusted Gross Income

Figuring Your Tax

Line 18 - Standard Deduction

• Single	\$5,183
• Married filing separate	\$5,183
• Married filing joint	\$10,336
• Head of household	\$10,336

Line 19 - Personal Exemptions

The amount you may claim as a personal exemption depends on your filing status. If married, the amount you may claim as a personal exemption also depends on whether you or your spouse claims dependents.

You may use the following chart to figure your personal exemption. If married, you may also use Arizona Form 202, *Personal Exemption Allocation Election*, to figure your personal exemption.

Personal Exemption Chart (continued on next column)	
If you checked filing status:	Enter:
• Single (Box 7)	\$2,150
• Married filing joint return (Box 4) and claiming no dependents (Box 10)	\$4,300
• Married filing joint return (Box 4) and claiming at least one dependent (Box 10) excluding persons listed who did not qualify as a dependent on your federal return [Box 10, column (e)].	\$6,450
• Head of household and you are not married (Box 5)	\$4,300

• Head of household and you are a married person who qualifies to file as head of household (Box 5)	\$3,225, or Complete Form 202
• Married filing separate return (Box 6) with neither spouse claiming any dependents (Box 10)	\$2,150, or Complete Form 202
• Married filing separate return (Box 6) with one spouse claiming at least one dependent (Box 10) excluding persons listed who did not qualify as a dependent on your federal return [Box 10, column (e)].	\$3,225, or Complete Form 202

A married couple who does not claim any dependents may take one personal exemption of \$4,300. If the husband and wife file separate returns, either spouse may take the entire \$4,300 exemption, or the spouses may divide the \$4,300 between them. You and your spouse must complete Form 202 if either you or your spouse claims a personal exemption of more than \$2,150. If you and your spouse do not complete Form 202, you may take an exemption of only \$2,150 (one-half of the total \$4,300).

A married couple who claims at least one dependent may take one personal exemption of \$6,450. If the husband and wife file separate returns, either spouse may take the entire \$6,450 exemption, or the spouses may divide the \$6,450 between them. You and your spouse must complete Form 202 if either you or your spouse claims a personal exemption of more than \$3,225. If you and your spouse do not complete Form 202, you may take an exemption of only \$3,225 (one-half of the total \$6,450).

If you are a married person who qualifies to file as a head of household, you may take the entire \$6,450 personal exemption or you may divide the exemption with your spouse. You and your spouse must complete Form 202 if either you or your spouse claims a personal exemption of more than \$3,225. If you and your spouse do not complete Form 202, you may take an exemption of only \$3,225 (one-half of the total \$6,450).

The spouse who claims more than one-half of the total personal exemption must include the original Form 202 with his or her return. The spouse who claims less than one-half of the total personal exemption must include a copy of the completed Form 202 with his or her return.

To view or print the department's publications, go to our website and click on *Publications*.

Leave the paper behind and **e-file** your Arizona extension request.

Visit www.azdor.gov for e-file requirements.

Use of Form 204

Use Arizona Form 204 to apply for an extension of time to file Arizona Forms 140, 140A, 140EZ, 140ET, 140PTC, 140PY, or 140NR. Individuals use this form to apply for an automatic six (6) month extension.

If you are using Form 204 to request a filing extension for an Arizona Form 140NR composite return, enter the partnership or S corporation's employer identification number (EIN) in the area designated for an individual's Social Security Number (SSN).

Also, use Form 204 to remit an extension payment whether you are requesting an Arizona extension or using a valid federal extension. However, if you are filing under a federal extension, but making an electronic extension payment or making an extension payment using a credit card, you do not need to mail in Form 204.

Arizona will accept your federal extension for the period covered by the federal extension.

Foreign Address

If you have a foreign address, enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

When to File Form 204

All extension requests must be postmarked on or before the original due date of the return, unless the original due date falls on a Saturday, Sunday, or legal holiday.

In that case, your request must be postmarked on or before the business day following that Saturday, Sunday or legal holiday.

For more information, see the department's general tax ruling, GTR 16-2, *Timely Filing of Income or Withholding Tax Return - Holidays and Weekends*.

For calendar year filers: Because April 15, 2018, falls on a Sunday, and District of Columbia Emancipation Day will be observed on Monday, April 16, 2018, you have until Tuesday, April 17, 2018, to file the request for an extension.

This will allow you to file your return by October 15, 2018.

Complete Form 204 to request an automatic six (6) month extension. **Mark your envelope "2017 Extension Request."**

If you are **sending a payment** with this request, mail the form to:

Arizona Department of Revenue
PO Box 29085
Phoenix, AZ 85038-9085

If you are **not sending a payment** with your request, mail the form to:

Arizona Department of Revenue
PO Box 52138
Phoenix, AZ 85072-2138

The department will not return a copy of the Form 204 to you. Be sure to keep a copy of the completed Form 204.

An extension does not extend the time to pay your income tax. You must still pay your tax liability by April 17, 2018, or by the original due date of your return.

If you do not pay at least 90% (.90) of the income tax liability disclosed by your return by the return's original due date, you will be subject to the extension underpayment penalty. We charge interest from the original due date to the date of payment.

Extension Underpayment Penalty: We impose this penalty if you do not pay at least 90% (.90) of the income tax liability shown on your return filed under an extension by the return's original due date. The extension underpayment penalty is 1/2 of 1% (.005) of the income tax not paid for each 30-day period or fraction of a 30-day period. We impose this penalty from the original due date of the return until you pay the tax. The extension underpayment penalty cannot exceed 25% (.25) of the unpaid income tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes § 42-1125(D).

Nonresident Aliens

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 17, 2018, even though your federal return is due on June 15, 2018. If you want to file your 2017 Arizona return after April 17, 2018, you must ask for a filing extension.

For Calendar Year Filers: *Because April 15, 2018, falls on a Sunday and District of Columbia Emancipation Day will be observed on Monday, April 16, 2018, you have until Tuesday, April 17, 2018, to pay your tax liability.*

Arizona will allow up to a 6-month extension. This will allow you to file your return by October 15, 2018.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months.

Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 15, 2018, even though your federal return will not be due until December 17, 2018. If you file your 2017 Arizona calendar year return after October 15, 2018, your return will be late.

Making Your Payment

Individuals may make extension payments by check, electronic check, money order, or credit card.

Partnerships or S corporations making an extension payment on behalf of nonresidents participating in the filing of an Arizona Form 140NR composite return must make that payment by check or money order.

Check or money order

If paying by check or money order, make your check or money order payable to Arizona Department of Revenue.

Write your SSN (or EIN) and *2017 Extension Request* on the **front** of your check or money order.

Include your check or money order with Form 204.

Electronic payment from your checking or savings account

You can make an electronic payment from your checking or savings account to pay your balance due for 2017. There is no fee to use this method. To make an electronic payment, go to www.AZTaxes.gov and click on the “Make a Payment” link.

Be sure to enter the correct routing number and account number for your checking or savings account. You will be charged a \$50 NSF (non-sufficient funds) fee if you provide an incorrect routing number or an incorrect account number. Check with your financial institution to get the correct routing and account numbers.

The “E-Check” option in the “Payment Method” drop-down box will debit the amount from the checking or savings account that you specify. If you make an electronic payment from your checking or savings account, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

NOTE: *You may not make an electronic payment from your checking or savings account if the payment will ultimately be coming from a foreign account. In this case, you must pay by check or money order.*

Credit card payment

You can pay with your Visa, MasterCard, Discover, or American Express credit card. Go to www.AZTaxes.gov and click on the “Make a Payment” link and choose the credit card option. This will take you to a third party vendor site (provider). The provider **will charge** you a convenience fee based on the amount of your tax payment. The provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction. If you complete the credit card transaction, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

Instructions Before Mailing

Make sure that you have completed all of the information requested on the **front** of the form.

To avoid an extension underpayment penalty, make sure you pay at least 90% (.90) of your Arizona tax liability.

- It is more convenient. No trip to the bank to deposit your check.
- It saves tax dollars. A refund by direct deposit costs less to process than a check.

This will take you to a third party vendor site (provider). The provider **will charge** you a convenience fee based on the amount of your tax payment. The provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction. If you complete the credit card transaction, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

Installment Payments

If you cannot pay the full amount shown on line 46 when you file, you may ask to make monthly installment payments. To make this request, complete Arizona Form 140-IA and mail the completed form to the address on the Form 140-IA. **Do not mail Form 140-IA with your income tax return.** You may obtain Arizona Form 140-IA from our website at www.azdor.gov.

If you cannot pay the full amount shown on line 46, you will be charged interest and may be charged a late payment penalty on the tax not paid by April 17, 2018. To limit the interest and penalty charges, pay as much of the tax as possible when you file.

Sign Your Return

You must sign your return. If married filing a joint return, both you and your spouse must sign even if only one had income.

Where Should I Mail My Return?

If you are **sending a payment** with this return, mail the return to:

Arizona Department of Revenue
PO Box 52016
Phoenix, AZ 85072-2016

If you are **expecting a refund, or owe no tax, or owe tax but are not sending a payment**, mail the return to:

Arizona Department of Revenue
PO Box 52138
Phoenix, AZ 85072-2138

Make sure you put enough postage on the envelope

The U.S. Post Office or United States mail service must postmark your return or extension request by midnight April 17, 2018.

The term "United States mail" includes any private delivery service designated by the United States Secretary of the Treasury pursuant to Internal Revenue Code § 7502(f) and the term "postmark" includes any date recorded or marked by any such designated delivery service.

An income tax return that is mailed to the department is timely filed if it is delivered on or before its due date. Additionally, if the envelope or wrapper containing the return sent through the United States mail bears a postmark of the United States mail and that tax return is delivered to the department after its due date that return will be considered timely filed if all of the following apply:

1. The return was deposited in an official depository of the United States mail;
2. The date of the postmark is no later than the due date;
3. The return was properly addressed; and
4. The return had proper postage.

If the envelope or wrapper containing a return sent through the United States mail bears a private meter postmark made by other than the United States mail, the return is treated as timely filed if both of the following apply:

1. The private meter postmark bears a date on or before the due date for filing; and
2. The return is received no later than the time it would ordinarily have been received from the same point of origin by the same class of U.S. postage. If the return is received by the department within five business days of the private meter postmark date the department will consider this requirement satisfied.

You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

For more information, see the department's ruling, GTR 16-1, Timely Filing of Income or Withholding Tax Returns Through the United States Mail.

How Long to Keep Your Return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25% (.25). The department can bring an action at any time if a return is false or fraudulent, or you do not file a return. To find out more about what records you should keep, get federal Publication 552.

Where is my Refund?

You can check on your refund by visiting www.azdor.gov or www.AZTaxes.gov and clicking on "Where's my refund?" or you may call one of the numbers listed on page 1 of these instructions. Before you call, be sure to have a copy of your 2017 tax return on hand. You will need to know your SSN, your filing status, and your 5-digit ZIP Code.

Contacting the Department

Your tax information on file with the department is confidential. If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person. You may use Arizona Form 285 to authorize the department to release confidential information to your appointee. See Form 285 for details.

HOW MUCH INCOME CAN YOU HAVE AND PAY NO TAXES?

EXAMPLES:

You still have to file a return, but you pay no taxes if your income is less than the levels shown in the chart below. ***For purposes of this chart, “income” means Arizona adjusted gross income plus the dependent exemption claimed** (Form 140, page 2, line 42 plus the amount on Form 140, page 2, line 40; or Form 140A, page 1, line 17, plus the amount on Form 140A, page 1, line 15, or Form 140EZ, page 1, line 6). *To rely on this chart, you must claim the family income tax credit, if you qualify.*

2017 Optional Tax Tables

If your taxable income is less than \$50,000, use the Optional Tax Tables. If your taxable income is \$50,000 or more, use Tax Table X or Y. Also, if your taxable income is \$50,000 or more, you cannot use Form 140EZ or Form 140A to file for 2017. In this case, you must file using Form 140.

To Find Your Tax: Read down the income column until you find your taxable income shown on Form 140A, line 20. Read across until you find your filing status as shown on Form 140A. Enter the tax on Form 140A, line 21.

Example: Mr. and Mrs. Timely are filing a joint return. Their taxable income on Form 140A, line 20 is \$19,360. First, they find the \$19,350-\$19,400 income line. Next they find the column for married filing jointly and read down the column. The amount shown where the income lines and filing status column meet is \$502. This is the tax amount they must write on Form 140A, line 20.	At Least	But less than	Single or Married Filing Separately	Married Filing Jointly or Head of Household
