

Form 140PY Schedule A(PYN) Itemized Deductions

For part-year residents who also had Arizona source income during the part of the year while an Arizona nonresident.

Completing Schedule A(PYN) Itemized Deductions

Before you complete Arizona Form 140PY, Schedule A(PYN), you must complete a federal Form 1040, Schedule A.

You may itemize your deductions on your Arizona return even if you do not on your federal return. For the most part, you can deduct those items that are allowable itemized deductions under the Internal Revenue Code.

A part-year resident who also has Arizona source income during the part of the year while an Arizona nonresident can deduct all of the following.

1. Those expenses incurred and paid during the part of the year while an Arizona resident.
2. Arizona source itemized deductions incurred and paid during the part of the year while a nonresident.
3. A portion of all other itemized deductions paid during the part of the year while a nonresident.

For more information, see Arizona Individual Income Tax Ruling ITR 94-10.

In some cases, the itemized deductions allowed on your Arizona return are not the same as those allowable under the Internal Revenue Code. The itemized deductions allowed on your Arizona return can differ if any of the following apply.

1. You are deducting medical and dental expenses.
2. You are claiming a federal credit (from federal Form 8396) for interest paid on mortgage credit certificates.
3. You are deducting gambling losses while claiming a subtraction for Arizona lottery winnings.
4. You are claiming the credit for property taxes paid by a qualified defense contractor.
