Line 2

Leave this line blank.

Partner's Portion of the Arizona Partnership Adjustment

Line 3

Multiply the amount on line 5 of Arizona Form 165PA by the partner's percentage of the Arizona partnership adjustment. (See **NOTE** below) Enter the result. This is the partner's portion of the Arizona partnership adjustment. **If the amount is less than zero, use brackets to indicate the negative amount.**

NOTE:

Generally, the partner's percentage of the partnership adjustment will be the partner's ownership percentage.

In cases in which one or more of the partners of the partnership are tax-exempt organizations, the portion of the adjustment related to the tax-exempt organization(s) is already removed from the federal adjustment. Therefore, the remaining partners' portion of the Arizona partnership adjustment cannot be determined by multiplying each partner's ownership percentage by the Arizona partnership adjustment.

To determine each remaining partner's percentage of the Arizona partnership adjustment, subtract the percentage of the partnership owned by the tax-exempt organization(s) from 100%. This determines the percentage of the partnership not owned by tax-exempt organizations. Then, divide each remaining partner's ownership percentage of the partnership by the partnership percentage not owned by tax-exempt organizations.

EXAMPLE:

Partnership XZY is owned by 10 partners. Each partner owns the indicated percentage of XZY:

Partner	Ownership %
A	19.10%
B	6.20%
C	4.10%
D	3.25%
E	32.25%
F	17.30%
G	3.75%
H	3.90%
I	1.70%
J	8.45%
Total	100.00%

Partner A is a tax-exempt organization and owns 19.10% of the partnership.

To determine the remaining partners portion of the Arizona partnership adjustment begin by:

- Subtracting Partner A's ownership percentage from 100% ($100\% - 19.10\% = 80.9\%$).
- Divide each remaining partner's ownership by 80.9% to determine each partner's portion of the Arizona partnership adjustment. Partner B's portion of the Arizona adjustment is 7.66% of the total. (Partner B owns 6.2% of XZY; $6.2\%/80.9\% = 7.66\%$.) Continue this process for all remaining partners.

After excluding the tax-exempt partner, Partner A, each remaining partner's share of the Arizona Adjustment is:

Partner	AZ Adjustment %
A	0.00%
B	7.66%
C	5.07%
D	4.02%
E	39.86%
F	21.38%
G	4.64%
H	4.82%
I	2.10%
J	10.44%
Total	100.00%

Multiply each remaining partner's AZ Adjustment % by the amount of the Arizona partnership adjustment. Enter that amount as the "Partner's portion of the Arizona partnership adjustment" on each partner's Arizona Form 165PA Schedule K-1, line 3 or Arizona Form 165PA Schedule K-1(NR), line 3.
